IF WOMEN ONLY KNEW

What a Heap of Happiness It Would Bring to Barre Homes.

Hard to do housework with an aching back.

Brings you hours of misery at leisure or at work.

If women only knew the cause—that Backache pains come from sick kidneys.

I would save much needless woe.

Doan's Kidney Pills cure sick kidneys. Barre people endorse this:

Mrs. J. L. Cummings, 80 Elm street, Barre, Vt., says: "I have the same confidence in Doan's Kidney Pills to-day as when I testified to their merit three years ago. Experience has proven to me that the claims made for this remedy are well founded. The worst symptom of kidney trouble in my case, was a sharp pain in my hips, often lasting for three days at a time. During such attacks I could not sleep and it was with the greatest difficulty that I got about the house. If I happened to catch cold, it settled in my kidneys and aggravated the trouble. I used many number of remedies but found more relief from Doan's Kidney Pills, procured at E. A. Brown's drug store than from any preparation I had previously taken. They relieved the pains in my back, strengthened my kidneys and proved themselves in every way to be a reliable kidney remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

A MENTAL WRECK.

Former Chief of Weather Bureau, Long Missing, in an Asylum.

New York, Nov. 14.—Prof. Mark W. Harrington, former chief of the United States weather bureau, who mysteriously dropped out of sight nearly 10 years ago, has been found a hopeless mental wreck, in the New Jersey asylum for the insane at Morris Plains.

He had been an inmate of the asylum since more than a year ago, when he was found wandering aimlessly about the streets of Trenton. He has been unable to tell the asylum officials anything about himself and it was not until yesterday that his identity was established. Then Mrs. Harrington visited the asylum and identified the man as her missing husband.

Mrs. Harrington, who lives in this city, said today that although her husband had changed greatly in appearance since he left home 10 years ago and did not recognize her when she visited him at the asylum, she is certain the man in the asylum is Professor Harrington.

AUGUSTUS HELD ON LARCENY CHARGE

Tells of Being Shipwrecked Off Brazil, in Which He Lost Everything

Fall River, Nov. 14.—Antone Augustus, formerly supreme treasurer of St. Michael's Portuguese Beneficent society, who surrendered himself to the police Thursday night when he walked into the Central police station, was arraigned before Judge Lovatt yesterday charged with the larceny of \$1,600 from the society.

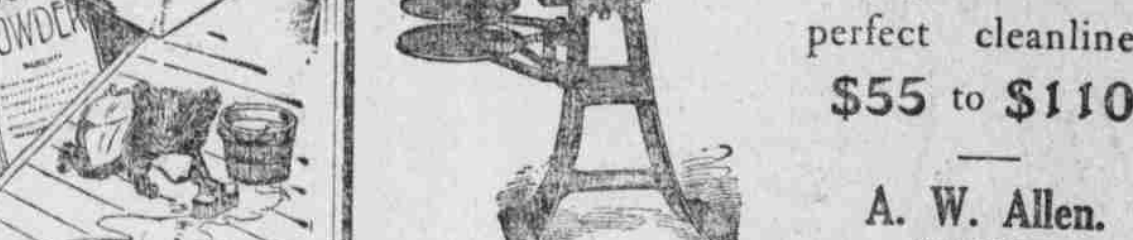

Counsel entered a plea of not guilty

and a continuance until Tuesday was granted. The defendant's bail being fixed at \$2,000. Attorney Edward F. Hanly, representing the society, stated that the warrant would be sworn out at once on the forgery complaint and the defendant will be prosecuted on that charge.

Augustus says he had been in South America since his disappearance in the latter part of September, when an apparent shortage of \$1,600 was discovered in the society's accounts. He had a very eventful return voyage, being in a shipwreck off Santos, Brazil, when, he states, he lost everything, including more than \$100. He had just enough money left to reach Warren, R. I., via Providence, and he walked the last 10 miles into this city.
